

Join Us for an AA Outreach Luncheon!
Hosted by Area 18 District 4

****What is CPC?***

**CPC stands for
"Cooperation with the Professional Community."
This group focuses
on building connections with
professionals
like doctors and mental health
experts to inform them
about Alcoholics Anonymous (AA)
and how it can help those
dealing with alcoholism.**

****What is PI?***

**"PI," or "Public Information,"
works to spread the word about AA
and its resources, ensuring that anyone
who needs help knows where to find it.**

Why CPC and PI?*

**Both CPC and PI are essential components of
AA's outreach efforts, helping to ensure
that individuals in need are
aware of the support available to them.**
